

Grant rolls to cage win

By Gary Flegel
In J.V. basketball action last Friday, January 7, the Grant Tigers defeated host Kent City by the lopsided score of 67-35. This loss dropped the Eagles conference record to 3-2.

Grant made good use of their press as it forced many Eagle turnovers which the Tigers converted into a 15-6 first quarter lead. Grant's

greater size and strength was just too much for the Eagles as the Tigers controlled both the offensive and defensive boards throughout the contest.

Kent City's offense was victimized by some very cold shooting as the Eagles only averaged 8.75 points per quarter. Grant outscored Kent City by almost a two to one margin as they

ran to quarter leads of 15-6, 40-20, 54-27 and 67-35.

Leading the Eagles in scoring were Jim Stebbins with 12 points, while Mike Wilde and Steve Johnson tallied six apiece.

Grants' Brian Prickett led all scorers with 25 points, 17 of which came in the first half of play.
