Blood Donors Sought

Blood. It's a precious, lifesaving commodity often in short supply at area hospitals.

Sparta area residents will be given a chance to help alleviate this possible shortage on January 24th and January 25th, when nurses from the Grand Valley Blood Program will be in town to accept donations of this vital substance.

Blood will be drawn from 12:30 p.m. to 7:30 p.m. on Monday, Jan. 24, in the library of Sparta High School, 10200 Sparta Avenue. This drawing is open to the general public.

On Tuesday, January 25th, area high school students will be given their chance to donate a pint of life-sustaining blood. This drawing will take place 9:30 a.m. to 4 p.m., also in the high school library.

The program is being sponsored locally by the Sparta Blood Committee and is receiving support from area churches and businesses. Organizers of the drive say they hope to collect at least 150 pints of blood.

To make an appointment to donate, call Eleanor Andree, Sparta Community Center at 887-8663.
