Sparta Hunting & Fishing Club

By MIKE MATTHEWS

When the old boy asked me if I'd fish with him last Sunday, I first looked deep into his eyes for some sign of insanity and then, convinced that he wasn't a raving lunatic (but not by much), I laughed and walked away shaking my head. "Who would want to be out in that wind and zero weather unless they were playing with a short deck?", I asked myself. "Certainly not me", I thought; and with that went on with my work, my pride boosted by a new feeling of rationality and self control.

Where was I Sunday morning? Out in that zero weather on the trap range with the clay birds doing the boogie on the wind and a frozen gun barrel in my hands. I wasn't alone, but after firing at the first five I began to wonder if maybe my deck wasn't short of trump. By the time we were finished I was sure but still feeling good over the fact that I got the birds that I did. I think that most of us felt the same way. When spring finally gets here this year there should be some sort of a holiday called to celebrate the event.

This Sunday, January 23, the club will be holding one of it's famous pancake breakfasts at the clubhouse. The price is \$1.75 for adults and \$1.25 for kids. Bring your family and friends out for a real down home country spread.

J. Momber recorded a 25 on the range this week. There were some other pretty good scores too; M. Bruda 24, 20; F. Wilk 23; Wheeler 23; R. thome 22, 20; Miszewski 20; B. Young 20; R. Hart 20; L. Christensen 21; D. Steck 20; and J. Sullivan 22.

Don't forget to renew your membership!
