Area residents invited

The Comstock Park Junior Basketball Program is off and running with six teams of 3rd and 4th graders and eight teams of 5th and 6th graders joining in the fun. Games are played from 2-6 p.m. every Saturday through Feb. 29 at the high school gym. All area residents are invited to come and watch the action.

Parent Exchange Day

On March 16, 1977, the Comstock Park High School will hold a Parent Exchange Day.

Any student whose parents, guardian or grandparent attend school on the special day may stay home. Parents will begin the school day by getting books from their child's locker and attend all of the child's classes. If the student takes typing, the parent is asked to type, the same holds true for singing in the choir, changing for P.E. (bring your tennies), playing in the band or conducting an ex-

periment for science. By the same token the student can be expected to do the housework or whatever the parent has to do when the students are normally in school.

The advantages of this kind of day are many since the parents actually find out what a student does every day.

During the last half of sixth period, parents and faculty will be guests at a coffee and dessert in the cafeteria.

Parents interested in spending a day in exchange with your student, please notify the student leadership class. You may call the high school office at 361-7333 or the leadership class between 11 a.m. and noon at 361-6856.

Volleyball

Danny Vasilouskas and Eric Olsen are managing the 6th grade volleyball team. The volleyball tournament started about one week before Christmas. The 6th grade play during their lunch hour for something to do. The winners will be presented with some kind of an award. Mrs. Gall is in charge of the teams.

8th Grade Basketball

On Tuesday, January 4th, the 8th grade basketball team had a game against Hamilton. Our team lost, 42-33.

Randy Thomas was the top scorer, making about 14 points.

The team was behind throughout the whole game but the team outscored Hamilton by 9 points in the second half. The coach feels that our team could have played better.

News Note

More than half of those who die of a heart attack die on the way to the hospital because they didn't recognize the signs of a heart attack and they didn't know how to get help. Know the warning signs of heart attack. Find out the number of the emergency rescue service and the location of the nearest hospital emergency room. Your life or the life of some one you love may depend on it. For more information, contact the Michigan Heart Association.

We help you help.

An employee of yours has a house fire, a disabled parent, an emergency of any kind.

That's just when Red Cross—America's Good Neighbor—steps in to lend a hand. Because helping people is what we're all about.

You could say all this helps your company, too.

Because easing people over life's rough spots makes them easier in their minds. And no one has to tell you how important that is on the job.

So help Red Cross any way you can.

When you help us, it helps your people.

And when you help your people, you help yourself.

**Red Cross.
The Good
Neighbor.**

Student Council News

Student Council elections are going to be coming up this month. The representatives will be chosen the same way as the last time. The student body will be voting on who they want for representatives from the people who signed up.

Also, the yearbook will be going on sale soon. The student council thinks that this yearbook will be better than last years.
