Valentine Specials

Cupid's agents, the North Kent Leader staff are offering unique ways to touch those special people in your life on Valentine's Day.

February 14 is a special nonsensical day that brings out the lover in both young and old. Perhaps because it falls in the month of February when everyone is suffering from that old bugaboo, a severe case of the Winter Doldrums, that we welcome it with such fancy. It gives us an opportunity to be a little bit silly and sentimental towards those special people in our lives.

For the first time the North Kent Leader offers a special photo feature. In the February 9th edition you can have a picture of your favorite Valentine for \$4.00. Details are in this issue of the paper.

As in past years we'll print your written message at a bargain rate, 10 words for \$1.00. This fee must be paid in advance and we request it be in our office before noon on Monday, February 7th. All Valentine messages will be on a special page. If you are a once-a-year sentimentalist we suggest you use one of these ways to tell someone you care.
