

New Class

By RON MENEFEE

This second semester has many interesting classes, such as the new class "Depression" which is taught by Mrs. Ebers.

This course can be taken for an American history credit or an interest class. The class will be studying the Depression, Franklin D. Roosevelt, the new deal; also they will read "The Grapes of Wrath." Mrs. Ebers thinks this class is very useful and hopes for a good turn out. She also said the class will be fun. The class will be taught the 4th nine weeks of the semester.

Parents' Workshop Scheduled

A Parent's Workshop has been scheduled for those parents whose children receive Title I assistance in the Kent City Community Schools. It will be held Thursday, February 3 at 10:00 A.M. in the Middle School Library. Parents will be actively involved in making games and preparing activities to use with their children at home. For further information contact Bonnie Stuit or Stan Fortuna at Casnovia Elementary School (675-5431).

Varsity extends streak

"I have to be pleased when my team scores 87 points, but our defense could have been better," were the remarks of Coach Bob Sarachman after his Eagle team downed the Tri-County Vikings, 87-60 in front of a rather large Parents' Night crowd. Kent City hit on 47.6 per cent of their field goals, while Tri-County could manage only 35 per cent in the Eagle-viking contest last Friday night. Since defeating Sparta on January 4, Kent City has won five straight N.C.A.A. matches, upping their conference record to 8-1, and their overall record to 10-2.

Tri-County started the game out right by making the first bucket, but the Eagles allowed them to have only two more the rest of the first period. During this time the host team scored 24 points, behind Doug Weston's eight and Harry Kukla's six. Tri-County's turnovers proved to be their largest problem as they committed 23 the first half and 28 the second.

Turnovers were also costly for the Eagles, who committed most of their game total of 29 during the second quarter. Kent City lost some of their composure at the beginning of the

period, when the Viking's press converted Eagle turnovers into Tri-County buckets. Kukla kept the Eagle cause alive, however, scoring eight points, on his way to hitting 64 per cent of his shots the first half. The visiting team outscored the Eagles 20-19 during this time, but trailed in the contest 43-26 at halftime.

Kent City's third period was highlighted by John Doane's nine points, five of which came from the free throw line. By the end of the eight minutes, Kent City held a 67-45 scoring edge.

The final quarter saw nine Eagles score a total of 20 points compared to the Viking's 15. Kent City's largest lead came in the last two minutes of play when the margin of scoring was 28 points, 80-52.

Five Kent City scorers reached double figures with Kukla leading all at 17 points. Weston followed with

14, while Afton and Doane each tallied 12. Layer added 11 points and led the team in assists with eight. He also followed Doane's game high 13 rebounds, by pulling down nine himself.

Two bright spots for Tri-County were McClurken, who hit on 64 per cent of his shots for 15 points, and Tim Newton, who hit on 53 per cent for 14 points.

The Eagles traveled Tuesday to Muskegon Oakridge, and will play at Holton on Friday, January 28.

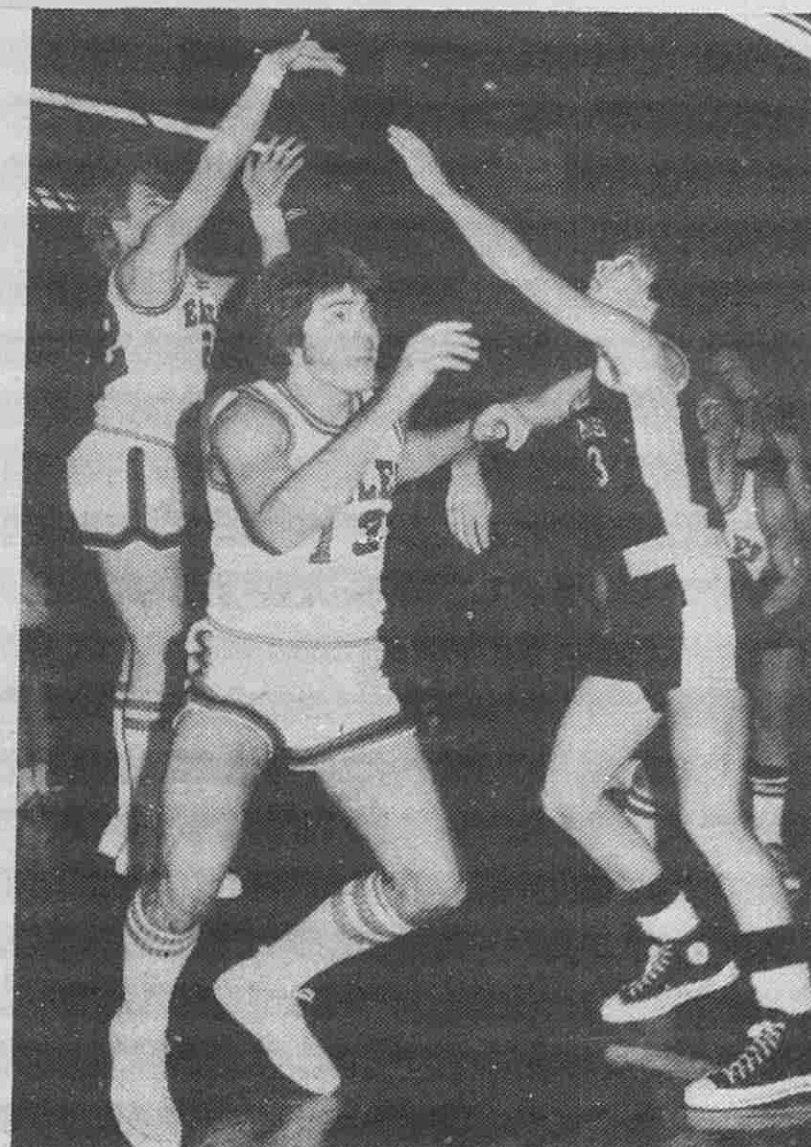

Jason Johnson [25] makes his move against Tri-County's Tim Newton and McClurken[32].

Peaches
Milk

J.V.'s lose fourth

By GARY FLEGEL

In J.V. basketball action last Friday, the Kent City Eagles played host to the Tri-County Vikings and the Vikings left for home with a 38-32 victory tucked under their belts. This loss evened the Eagles' league record to four wins against four defeats while the Vikings posted their third victory in eight starts.

Neither team could get their offense in high gear the first quarter, but Kent City managed a six to two lead as Dan Kragt dropped in a basket just before the buzzer sounded.

After struggling to a 17-16 halftime edge, Kent City lost the lead for good late in the third quarter as Tri-County put in a couple of baskets to take command 28-25.

In the fourth quarter Tri-County reeled off six unanswered points as they ran to a 34-25 bulge. Kent City had numerous scoring opportunities but couldn't find their mark and were only able to cut the Viking lead to five points once during the final period.

Steve Johnson led the Eagles in scoring with 12 points and Dan Kragt added ten.
