Board

visits school

The Comstock Park Board of Education visited with the staff of Stoney Creek School on Thursday morning. They had continental breakfast in the staff lounge. It was a social occasion and gave the staff a chance to know the Board members better and vice-versa. After the breakfast, the Board members were encouraged to stay and visit the school.

This is the second year in a row for this exchange of ideas and it was a warm and interesting visitation. The Board plans on visiting the Middle School on January 25.

In the picture from left to right are Steve Robinson, teacher; Norm Griffes, Board member; Jerry Czarnecki, Board member; Cheryl Stirdivant, teacher; Fran Brown, teacher and Maureen Hartman, Board member.

Identification numbers help tell the story of the different seasons. Pictured l-r are Robert Wilson, Roger Johnson, Denise Meyer.

Brace, bit, and lag screws were skillfully used by Michelle Steffens and John Felty.

Students continue to improve Nature Trail

Three years ago in December the students and staff began the construction of the Nature Trail at Greenridge Elementary School.

During this time the trail has been finished, two outdoor classrooms have been built and a bridge constructed.

Printed trail guides have

been written and are available in the school office for anyone or class of students that would like to take a walk down the trail.

The most recent addition to the trail are some new identification markers made by Sue Carpenter, one of the Greenridge parents, and installed by various fifth graders.

Golden Years Fellowship

The Golden Years Fellowship met at the Chappel Hill Church, Wednesday January 19. 46 of us enjoyed a bountiful pot-luck dinner. After dinner our President, Lowell Anderson, called the meeting to order.

Business: He thanked our committee, Mr. and Mrs. Jack O'Donnell and Mr. and Mrs. John VanLoon for today's plans. Committee for our next meeting, February 16, are Mr. and Mrs. George Vance and Mr. and Mrs. Manley Lynch. A nominating committee, namely Jane Johnson, Audrey Witt, and Nettie Ransom, was appointed to nominate new incoming officers for Vice President, Secretary and Treasurer. Lowell reported that he had sent "Thank You Letters" to the Kent City School for our transportation to the Skill Center and to Mr. (Col.) Bob Kirschman for our tour of the school. It was reported Lona Gilmore had fallen and was somewhat shaken

up, but not serious. A card of sympathy was to be sent to the Charles Roberts Family, and a Get Well card to Anna Johnson. Many of our Birthday folks thanked the club for the nice cards they had received. Mrs. John VanLoon introduced her brother, August Herryger and his wife. Minutes of the last meeting were read.

Our President presented information from a brochure of films on cancer that could be obtained for future programs. The motion was made and passed that the President was to make selections and reservations for films ahead of time. A future trip to Lansing to visit the Government buildings and sessions was discussed. Tabled until weather is more settled and warmer. Mrs. Horton from Muskegon Senior Citizens Program will be with us for our next meeting. Our Treasurer, Erma Anderson, made a financial report. A motion

was made and carried for our group to donate \$50. to the Church fund to be used toward the debt on their parking lot. Jack O'Donnell presented a discussion for thought and suggestions pertaining to starting a petition to have put on our next ballot and to be voted on namely: Curtailing our lawmakers in Lansing from raising their own pay after they have accepted the office. Jack will obtain more information. Songs were sung with our new member, Mrs. Ila Dubois, at the piano. Later she was asked to act as our permanent pianist, which she accepted. Our closing song was "God Be With You Till We Meet Again." Charles Potes dismissed us with a prayer.
