

Annual Snowmobile Worship Service

Rev. Donald Johnson of Mamrelund Lutheran Church and Rev. Stanley Finkbeiner of Chapel Hill United Methodist Church announce their second annual snowmobile church service, to be offered on Sunday, January 30 at 8:30 a.m. Same as last year, the service will be conducted outdoors at Chapel Hill United Methodist and all are invited to attend on their snowmobiles. Rev. Johnson and Rev. Finkbeiner, with the aid of a loudspeaker system, will conduct the services with the sermon delivered by Rev. Finkbeiner.

Hot chocolate and coffee will be served afterwards. A snowmobile ride will follow

with destination ending at Mamrelund Lutheran Church at 12:30 p.m. A potluck lunch will be held at Mamrelund at that time.

Again, all area snowmobilers are cordially invited to attend this unique Sunday worship service. So bundle up good, fire up your machine and head on out for an enjoyable and rewarding day.

For more information, please call Iva Norton 887-9587, Pat Libolt 675-7596, Chapel Hill 675-7184 or Mamrelund 887-0510.

Forecast: expensive weather.

So far, this winter has been colder than last winter — much colder. And there's no avoiding what it's doing to your energy bill: When the mercury drops, your use of energy goes up — as a result — your bill goes up too.

Extremely low temperatures combined with an increase in the cost of natural gas from our suppliers are making this winter unusually expensive. So now, more than ever, you need to use energy wisely. Dial down. Turning your thermostat back from 72° to 68° will help you save. Dialing down further can save you even more. And so can insulation.

Expensive weather ahead, and there's no way around it. So let's get through it — together. Our responsibility will be the energy you need. Your responsibility will be the energy you use.
