John 3:16. is often hear and believe it. "For referred to as "the Gospel in God so loved the world, that a nut shell." There is enough He gave His only begotten Gospel in this verse to save Son, that whosoever the world if the world would believeth in Him should not

perish, but have everlasting life."

There is no more wonderful announcement in all of the Word of God than what we read in this verse. Think of it, beloved! God is love, yet He could love a world that hated Him and hated His Son, a world that demanded the "death" of His son, nailed Him to the cross, and mocked Him while He died to redeem even those that hated Him. "God SO loved the World..."

That little word "so" signifies that there are not enough words in all the languages of all the world to explain the depth, the height, the length, or the breadth of the great love God bestowed upon man. Only God, in eternity, can explain to us just how much He loved us when He "So loved" that He gave Jesus to die for us that we might have "everlasting life." The truth set forth in the Gospel is that God gave His Son to

the world because He so loved the world "that whosoever believeth in Him should not perish but have everlasting life. God loves all but He saves only those who believe in His only begotten Son.
