"Morning Belles"

Here we are in January already and we are renewing our old resolutions and hope to keep them all. Most of all the resolution to get and keep on the ball to lose and lose and lose. (Weight, that is). We are off to a good start already with two best losers this week. Betty C. and Helen B. lost 2½ lbs. each and that's super for after a Holiday! Our dime cup was held over once again and it sure looks tempting.

Congratulations goes to Berle as she captured one of the mystery boxes for her very own. The other, sorry to say, was lost and now the two new ladies to hold them are Sharon and Maria. We wish to welcome Maria B. back as a member again and also another new member Connie S. We hope they will find our club helpful as well as fun. We also wish to congratulate Elaine J. for being our Nov. best loser and Ardele F. for Dec. best loser. Elaine J. also walked off with the three month best loser title. How about a round of applause for these gals! We hope you all do as well in the coming year.

Just for a little fun again, we are having our Bingo game (TOPS game as we call it) this coming meeting. Hope all the members can be there to join in. Pauline informs us there is a contest coming up, so better get on your toes for a dandy. See you smaller next week now.....

- Easy to install, adapts to heating systems in most homes.
- Easy to operate.
- Heat goes to the rooms that you want heated.
- Double insulation avoids excessive heat build-up around the unit.
- Circulated air is free of smoke or fireplace odor.
- Compact size allows unit to be moved into most basements with little difficulty.
- Thermostatic control assures that only warm air will be circulated.
- Chimney heat loss is a fraction of that lost by fireplaces or most other supplemental heating systems.
- One fire lasts for hours.
- Operator does not have to close the flue when fire is out to avoid chimney heat loss.
- May be used without attaching to heating ducts if desired.
- Can be relocated with little effort.
- Lets useless trash help heat your home.
