

Whites Grocery Expands

White's Grocery in Kent City has completed remodeling with an addition to the building that has doubled the amount of shopping area. Jim White owner has been in business 18 years in May of this year. The new addition allows for much wider aisles, a larger dairy area, an added check-out lane and permits them to handle a much greater variety of merchandise because of greatly expanded shelf area.

36 Years in business locally doing QUALITY work.

SUPERVISED STUDY PROGRAM

North Kent Community Education offers a Supervised Study Program which is tailored to help the individual who has special needs to complete his or her diploma. Some of the conditions which would qualify you for this program are: 1) need of a diploma for promotion and the need to speed up one's program, 2) need a particular course to meet graduation requirements and the course is not offered as a regular class, or 3) other special needs as determined by the director and the individual. Call Jackie Newkirk at 887-8253 for more information.
